

SEQUOIA LIVINGSM

Life Services for Seniors

HEALTH SERVICES

Dear Neighborhood Business:

Sequoia Living, formerly NCPHS, operates life care residential communities. We are a non-profit organization dedicated to enriching the experience of aging for older adults in Northern California.

For over 60 years, we have been a part of your communities; San Francisco, San Mateo, and Marin. Sequoia Living consists of 1,000 residents and 700 staff. Our staff and residents are your neighbors who have frequented your business, know your staff and in some cases, have taken care of your loved ones in our skilled nursing, assisted living and memory care departments.

Now we need your help!

We are contacting companies that may be temporarily closed and who may be willing to donate their surplus Personal Protective Equipment (PPE) to our nursing staff.

We need **Gloves • Masks • Gowns • Hoods • Goggles**.

If you are willing to donate, please contact me today.
